Subject: Access to public records

Dear Mr. Frank Milos,

I am seeking records under the Access to Public Records Act, R.I.G.L. 38-2.

I am requesting records related to the Pawtucket Police Internal Affairs department. In particular, I am requesting the last 10 completed Internal Affairs reports.

I prefer to receive these documents via e-mail. Please contact me if you have any questions or concerns about this request. I look forward to receiving these documents within ten business days.

Thank you for your time and attention to this matter.
