Equipment Supply Program

ABM has standardized the equipment that our service workers use, providing benefits for you, including:

- Better cleaning results due to better product and equipment selection
- Increased safety because our employees are thoroughly trained and familiar with the equipment
- Reduced training time and expense because we limit the types of equipment used

ABM has strong, established relationships with industry-leading supply, chemical and raw material manufacturers that share our commitment to excellence. This affords us cost-control advantages over our competitors and provides you with several distinct advantages:

- National long-term, fixed-price contracts with industry leaders to mitigate costs
- Strong vendor relations give access to new, innovative products and training support
- Environmentally friendly products selected based on ABM quality standards & customer specifications
- Personal attention when it comes to problem solving for you and managers
- Prompt deliveries and comprehensive training
- Centralized purchasing department for inventory control
- Consumables can be purchased and supplied at an additional cost
