JOINT MOTION TO STAY PROCEEDINGS

The parties in the above-captioned case entered into a settlement agreement on April 30, 2025, under which certain actions must be taken within 120 days, after which the parties have up to 30 days to determine if the settlement terms have been fulfilled and, if so, to submit a stipulation of dismissal, and if not, to resume proceedings. Accordingly, the parties jointly move for a stay in proceedings to and including September 29, 2025, to effectuate the terms of the settlement agreement.

Wherefore, the parties jointly move that the Court enter an order staying proceedings to and including September 29, 2025, at which time the parties are directed to report to the Court on the status of settlement and the need, if any, for further proceedings, unless a stipulation of settlement has been entered.
